Did you know there was a house in the village that could be rotated on its axis ? Or that there were stocks and a pillory outside the church ? Or that bare knuckle boxing matches took place at the Black Horse Inn near the church?

All this and much more is included in the book.

The book will be available for sale in the Village Hall on Saturday April 25, between 2pm and 4pm when there will be an exhibition of photographs, old parish magazines and documents on display. There is no entry fee and refreshments will be available.

Alternatively, if you are unable to attend and would like a copy of the book, please contact Nick Hartley on 687492.
